WORK EXPERIENCE

Team Lead

Innodata Inc., Remote (Ottawa)

Dec 2024 – Present

- Leading three teams: one general, two project-based.
- Providing guidance to team members including weekly reports of individual KPIs and monthly 1:1 meetings.
- Coordinating with management both laterally and hierarchically to ensure alignment with internal and external stakeholders.
- Prioritizing agile and flexible project management in accordance with fluctuating business needs.
- Leading weekly business review meetings with clients to provide an overview of KPI hits and misses.
- Creating daily reports highlighting key metrics on the delivery side in collaboration with quality-side personnel.
- Developing Excel dashboards for multiple projects with human-readable data overviews from raw inputs.

Generative AI Associate

Innodata Inc., Remote (Ottawa)

Jun 2024 – Dec 2024

- Created and annotated training data sets for AI models.
- Edited spelling, grammar, punctuation, syntax, and sentence structure in accordance with client style guides and preferences.
- Collaborated with a diverse team of data scientists, researchers, and software engineers.

Technical Writer (Internship)

Aerobiology Research Laboratories, Remote (Ottawa)

May 2024 – Aug 2024

- Edited the user manual for a proprietary pollen and fungal spore collection device in Microsoft Word with particular attention paid to formatting, accessibility, and PDF and print compatibility.
- Updated two company WordPress websites.

Utility Locator, Private Division

Promark Telecon, Ottawa, ON

Feb 2022 – Mar 2023

- Located and mapped public and private underground utilities.
- Coordinated with contractors and damage prevention technicians.
- Used proprietary software to determine applicable networks and infrastructure.
- Upheld and maintained a strict level of confidentiality for crucial and high-risk projects.

Barista/Barista Trainer

Starbucks, Ottawa, ON

Jul 2017 – Nov 2021

- Customer service, cash handling, food preparation, and inventory management.
- Led educational seminars and trained new employees.
